The St Swithun's Ball committee had asked the Parish Council to pay for the hire of the Village Hall for the weekend of the ball. Prior to this the Parish Council asked the Ball Committee to go to the Village Hall Committee and ask if they would waive the fees for the weekend, which they declined. After discussion and very careful consideration, it was decided that the Parish Council could not pay for the Village Hall hire. The reasons being that there are many fundraising / charity events held in the Village Hall and if we offered to pay for one event, we could set a precedent and be open to lots of requests going forward. The Clerk to respond to the Village Hall Committee.

The original fence surrounding the Children's Playground is now rotten and falling down. The Playground Committee have asked for some additional funding this year to help pay for new fencing. After discussion, it was decided to award a one additional grant of £2000.

Annual Audit – all the information has been sent off to the external auditors.

## **7. Planning**

The Clerk had spoken with Bloomhill and they are still reluctant to share headline responses to the questionnaire. She will be speaking again to them in 10-14 days.

### **LDF**

SCDC are now confident that they have displayed to the inspector that they have fulfilled the land supply demand for the County for the next 20 years. This should stop the increase in speculative planning applications on patches of land.
