The Chair and Clerk to look at this with a view to creating a submission from the Parish Council and anyone can also add to the consultation as an individual. Clr Roberts is unhappy about the number of houses that are being proposed notwithstanding the issue of a lack of water supply to this area. The Clerk asked if there would be a further consultation (as this was a new one) later on in the process. There was no conclusive answer to this, but Clr Roberts encouraged the Parish Council to submit.
- Rectory Farm, Great Chishill Enforcement. The Clerk had forwarded information to Julie Ayre and enforcements are looking in the possible breaches of planning.
- Campsite, Lynchets Farm. The Clerk received an email from both enforcement and County Farms. County Farms seem satisfied there is no wrongdoing, but enforcement will investigate. Further information was sent to the Clerk (which was shared with stakeholders) which stated that the people in static caravans had indicated that they would be living in them for 'for several months'. Clr McDonald said that if rent is being taken it breaks the tenancy agreement. He will further look into it.
- Clr Clements commented that it appeared that there were people living at North Hall Farm and they are clearly not holiday lets. The Clerk to contact Julie Ayres to investigate.
- Land in village. Following on from our last meeting, the Clerk had written to the developer suggesting that we would be happy to help with a questionnaire / meeting but for it to be useful if there some be some indicative maps / plans / information to accompany this activity. She had heard nothing further from them.

- Parking on Heydon Road. The residents had sent some further data. The Parish Council are mindful that there are still some building works taking place along Heydon Road. The Clerk had received correspondence from some Councillors who do not think yellow lines are appropriate and this was view taken by those in the meeting. After discussion it was decided not to take his forward as parking at the pub did not seem to be an issue and we have to take into consideration the appropriate nature of the issue. The Clerk and Chairman to write to the parishioners.
- Outstanding highways issues in Great Chishill (path, white lining, drains). The clerk had received notification that the path will be complete, white lines will be restored to Heydon Road. Clr Wiseman reported at the meeting that her husband had kindly met up with highways re the gullies. Clr McDonald reported that all gullies in the area (and beyond) are being formally mapped.
- Outstanding highways issues in Little Chishill (Clr Ridge). The gullies are now blocked up again because of the straw lorries. The bollards had been replaced but ones in the wrong place were not removed.
- Straw lorries from Langley. The Chairman had received a letter from the power station in Ely confirming that they are accepting straw from Langley whilst they condone bad practice, they will not be asking the lorries to re-route. Clr McDonald stated that if they hauliers are acting inappropriately then their licence can be revoked. He will send a link to the Parish Council explaining how to do this. The Chairman is also to write back to the Power Station.
- Speeding – 20mph limit in Hall Lane. Clr McDonald said that a paper will be available in January which will make 20mph limits easier to get. The Council to wait for this and look into possibly applying.

Grant scheme for young people: deadline November 10th

A new grant has opened aimed at providing funds for projects that support children and young people. £38,000 is available through the scheme for projects which help to empower children and young people; helping them to build self-belief and make a positive difference to themselves and their community. Organisations that are independently set-up for charitable or social benefit (including Parish Councils) can apply for grants of between £4,000 and £8,000. This is being administered via the Grants Advisory Committee, who will review all the applications and award the grants to successful projects in early 2022.

The deadline for applications is Wednesday November 10th. More information, including application criteria, can be found here: <https://www.scams.gov.uk/new-grant-scheme-opens-for-local-organisations-working-with-children-and-young-people/>

South Cambs' Visiting Support Service is free for people over the age of 65, with a short-term focus to support people in their home – perhaps someone recovering from an operation, or who will be on their own for a short period of time, or who is having an unexpected crisis. The Community Warden Service is longer-term, and a nominal fee is payable; clients can be of any age, and the wardens will ring up or visit on a regular basis, and can help with tasks such as form-filling, picking up some essentials from the shop, or just being a friendly face. The Community Lifeline Service (under £4.50/week) provides a worn pendant that individuals of any age can press in an emergency, such as if they have a fall at home on their own. School Governors

A campaign has been launched to find more people willing to serve on the governing bodies of schools in Cambridgeshire. Schools are looking for governors who can bring a variety of skills and expertise from a wide range of backgrounds.

Governors – who are volunteers – support the strategic leadership of the school, providing support, challenge and accountability to the school’s headteacher and senior leaders. The headteacher is responsible for the operational running of the school on a day-to-day basis. Cambridgeshire County Council is particularly seeking to build diverse governing bodies which reflect the communities they serve, enabling children to succeed and thrive.

Previous experience of being a school governor is not necessary, as full induction and training will be offered. Experience of working in education is not necessary either.

Governors are usually appointed for a four-year term. Time commitments vary from school to school, but to fulfil the role effectively, governors are expected to sit on individual committees, visit the school regularly and attend full governing body meetings.

Responsibilities include working as part of a team, maintaining educational standards and performance, holding the school to account and monitoring the school’s budget.

Further information about the role and how to apply can be found here:

Covid 19 ERA

Rising rates in older people coupled with building pressures on local health and education services led to the Cambridgeshire & Peterborough Councils who are both responsible for public health to ask Government to grant the whole area ‘enhanced response area’ status for at least five weeks from Monday November 1 - to bring down infection rates which are currently higher in most areas than seen in January’s peak.

The ERA status allows us to push for additional support to:

- Accelerate and target 12-15 vaccination roll out to key areas and schools where infections are highest
- Accelerate booster vaccinations for eligible groups who have had their second vaccination more than six months ago
- Increase vaccination rate in areas with the lowest uptake
- In addition, as part of ERA status the area will enter into further discussions with the DfE about additional measures it can use in schools, but in the meantime it will continue to:
 - Encourage secondary school teachers or pupils who are household contacts of positive cases to take daily LFT tests
 - Continue with advice given to schools before the half term that face coverings should be worn in secondary school communal areas, and that meetings happen virtually where possible
 - Encourage anyone who is a household contact of a positive case to take daily rapid tests, until a negative PCR test is received
 - For the general population a government funded additional communications push will also begin from next week
 - Recommending wear face coverings in crowded and enclosed areas where you come into contact with people you do not usually meet’
 - Reminding people to get their vaccinations, test regularly and particularly before attending events, meet with others outside their households in well ventilated spaces and wash hands regularly and well
