Councillors are expected to follow these regulations and not to entice employees to breach them. Failure to follow these regulations brings the office of councillor into disrepute.

Wilful breach of these regulations by an employee may result in disciplinary proceedings.

In these Financial Regulations:

The council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.

The Clerk / RFO shall prepare, for approval by Great and Little Chishill Parish Council, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.

When considering any new activity, the Clerk / RFO shall prepare a draft risk assessment including risk management proposals for consideration by the council.

At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.

The accounting control systems determined by the RFO must include measures to:

- **ensure that risk is appropriately managed;**
- **ensure the prompt, accurate recording of financial transactions;**
- **prevent and detect inaccuracy or fraud; and**
- **allow the reconstitution of any lost records;**
- **identify the duties of officers dealing with transactions and**
- **ensure division of responsibilities.**

At least each meeting, and at each financial year end, a member other than the Chair shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign and date the reconciliations and the original bank statements (or similar document) as evidence of this. This activity, including any exceptions, shall be reported to and noted by the council.

Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

Accounts and audit

All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonable accuracy at any time. In particular, they must contain:

- **day-to-day entries of all sums of money received and expended by the council and the matters to which they relate;**
- **a record of the assets and liabilities of the council;**

The accounting records shall be designed to facilitate the efficient preparation of the accounting statements in the Annual Governance and Accountability Return.

The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.

The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.

Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit and shall,

as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.

The internal auditor shall be appointed by Great and Little Parish Council and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.

The council shall ensure that the internal auditor:

- is competent and independent of the financial operations of the council;

For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as described in The Practitioners Guide.

The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by the Local Audit and Accountability Act 2014, or any superseding legislation, and the Accounts and Audit Regulations.

The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

Budget and precept

Before setting a precept, the council must calculate its [council tax (England)/budget (Wales)] requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.

Budgets for salaries and wages, including employer contributions shall be reviewed by Great and Little Chishill Parish Council at least annually in January for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Clerk and the Chair.

No later than January each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments/income and expenditure for the following financial year {along with a forecast for the following three financial years, taking account of the lifespan of assets and cost implications of repair or replacement.

Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for partially completed projects may only be carried forward (by placing them in an earmarked reserve) with the formal approval of the full council.

~~Each committee (if any) shall review its draft budget and submit any proposed amendments to the council (finance committee) not later than the end of [November] each year.~~

The draft budget with any committee proposals and one-year forecast, including any recommendations for the use or accumulation of reserves, shall be considered by the council.

Having considered the proposed budget and one-year forecast, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must and must disclose at the start of the meeting that Section 106 applies to them.

The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.

The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

Procurement

Members and officers are responsible for obtaining value for money at all times. Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

Every contract shall comply with these the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.

For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation (“the Legislation”), must be followed in respect of the tendering, award and notification of that contract.

Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 6.12) obtain prices as follows:

For contracts estimated to exceed £5,000 including VAT, the Clerk shall seek formal tenders from at least three suppliers agreed by the council OR advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation. Tenders shall be invited in accordance with Appendix 1.

~~**For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation¹ regarding the advertising of contract opportunities and the publication of notices about the award of contracts.**~~

For contracts greater than £3,000 excluding VAT the Clerk / RFO shall seek at least 3 fixed-price quotes;

where the value is between £500 and £3,000 excluding VAT, the Clerk / RFO shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.

For smaller purchases, the clerk shall seek to achieve value for money.

Contracts must not be split into smaller lots to avoid compliance with these rules.

The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes;
- ii. repairs to, or parts for, existing machinery or equipment;

¹ The Regulations require councils to use the Contracts Finder website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

- iii. works, goods or services that constitute an extension of an existing contract;
- iv. goods or services that are only available from one supplier or are sold at a fixed price.

When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council.
Avoidance of competition is not a valid reason.

The council shall not be obliged to accept the lowest or any tender, quote or estimate.

Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- The Clerk, under delegated authority, for any items below [£500] excluding VAT.
- the Clerk, in consultation with the Chair of the Council for any items below £2,000 excluding VAT.
- the council for all items over £5,000;

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

No individual member, or informal group of members may issue an official order {unless instructed to do so in advance by a resolution of the council} or make any contract on behalf of the council.

No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council except in an emergency.

In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.

No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

An official order or letter shall be issued for all work, goods and services above £250 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

~~Any ordering system can be misused and access to them shall be controlled by the RFO.~~

Banking and payments

The council's banking arrangements, including the bank mandate, shall be made by the RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Barclays Bank. The arrangements shall be reviewed for security and efficiency.

The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council before being certified by the RFO.

Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.

All payments shall be made by online banking/cheque, in accordance with a resolution of the council, unless the council resolves to use a different payment method.

~~{For each financial year [the RFO] may draw up a schedule of regular payments due in relation to a continuing contract or obligation (such as Salaries, PAYE, National Insurance, pension contributions, rent, rates, regular maintenance contracts and similar items), which the council {or a duly delegated committee} may authorise in advance for the year}.~~

~~{A copy of this schedule of regular payments shall be signed by [two members] on each and every occasion when payment is made – to reduce the risk of duplicate payments.}~~

- ii. payments of up to £2,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.
- iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998, where the due date for payment is before the next scheduled meeting of the council, where the Clerk / RFO certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council.
- iv. Fund transfers within the councils banking arrangements up to the sum of £10,000, provided that a list of such payments shall be submitted to the next appropriate meeting of council.

The RFO shall present a schedule of payments requiring authorisation, forming part of the agenda for the meeting, together with the relevant invoices, to the council {or finance committee}. The council shall review the schedule for compliance and, having satisfied itself, shall authorise payment by resolution. The authorised schedule shall be initialled immediately below the last item by the person chairing the meeting. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of that meeting.

Electronic payments

Where internet banking arrangements are made with any bank, the RFO shall be appointed as the Service Administrator. The bank mandate agreed by the council shall identify all councillors who will be authorised to approve transactions on those accounts and a minimum of two people will be involved in any online approval process. The Clerk may be an authorised signatory, but no signatory should be involved in approving any payment to themselves.

All authorised signatories shall have access to view the council's bank accounts online.

No employee or councillor shall disclose any PIN or password, relevant to the council or its banking, to anyone not authorised in writing by the council or a duly delegated committee.

The Service Administrator shall set up all items due for payment online. A list of payments for approval, together with copies of the relevant invoices, shall be sent by email to authorised signatories.

In the prolonged absence of the Service Administrator an authorised signatory shall set up any payments due before the return of the Service Administrator.

Two councillors who are authorised signatories shall check the payment details against the invoices before approving each payment using the online banking system.

Evidence shall be retained showing which members approved the payment online.

A full list of all payments made in a month shall be provided to the next council meeting.

With the approval of the council in each case, regular payments (such as gas, electricity, telephone, broadband, water, National Non-Domestic Rates, refuse collection, pension contributions and HMRC payments) may be made by variable direct debit, provided that the instructions are

signed/approved online by two authorised members. The approval of the use of each variable direct debit shall be reviewed by the council at least every two years.

Payment may be made by BACS or CHAPS by resolution of the council provided that each payment is approved online by two authorised bank signatories, evidence is retained and any payments are reported to the council at the next meeting. The approval of the use of BACS or CHAPS shall be renewed by resolution of the council at least every two years.

If thought appropriate by the council, regular payments of fixed sums may be made by banker's standing order, provided that the instructions are signed by two members, evidence of this is retained and any payments are reported to council when made. The approval of the use of a banker's standing order shall be reviewed by the council at least every two years.

Account details for suppliers may only be changed upon written notification by the supplier verified by the Clerk and the RFO. This is a potential area for fraud and the individuals involved should ensure that any change is genuine. Data held should be checked with suppliers every two years.

Members and officers shall ensure that any computer used for the council's financial business has adequate security, with anti-virus, anti-spyware and firewall software installed and regularly updated.

The council shall review these Financial Regulations [annually] and following any change of clerk or RFO. The Clerk shall monitor changes in legislation or proper practices and advise the council of any need to amend these Financial Regulations.

The council may, by resolution duly notified prior to the relevant meeting of council, suspend any part of these Financial Regulations, provided that reasons for the suspension are recorded and that an assessment of the risks arising has been presented to all members. All sealed tenders shall be opened at the same time on the prescribed date by the Clerk in the presence of at least one member of council.

- 4) Where an electronic tendering process is used, the council shall use a specific email address that will be monitored to ensure that nobody accesses any tender before the expiry of the deadline for submission.
- 5) Any invitation to tender issued under this regulation shall be subject to Standing Order [insert reference of the council's relevant standing order] and shall refer to the terms of the Bribery Act 2010.
- 6) Where the council, or duly delegated committee, does not accept any tender, quote or estimate, the work is not allocated and the council requires further pricing, no person shall be permitted to submit a later tender, estimate or quote who was present when the original decision-making process was being undertaken.

1 REPUTATION

The risk to the reputation of the council is controlled by each member following the Model Code of Conduct for Parish and Town Councils.

All councillors will register their interests, and update these annually, declaring them as required under the code of conduct.

2 LEGISLATION

The council will follow the requirements of Standing Orders in the conduct of Council business, to reduce the risk of acting outside the law.

Guidance on existing and newly introduced legislation will be obtained from the local association of local councils (CALC). Annual membership of CALC will be maintained to allow this to happen.

3 FINANCE

The Council has adopted Financial Regulations, which will be complied with in order to reduce the risks from financial losses, mismanagement or fraud.

Insurance has been arranged to cover the risks from the following:

- Public liability
- Employers' liability
- Loss of money
- Fidelity guarantee
- Property damage
- Personal accident
- Legal expenses

Changes in risk and assets will be reviewed regularly and the insurance cover updated as required.

4 HEALTH AND SAFETY

In order to protect employees, councillors, contractors, visitors and members of the public from accidents or ill-health, risk assessments have been carried out on those council assets which pose more than a trivial risk.

The council will implement measures to reduce these risks to an acceptable level. New activities will be considered by the Clerk and if necessary risk assessed.

Records of the assets of the council, the measures required to reduce risk and inspection reports will be recorded in the Council's Asset Register.

GREAT AND LITTLE CHISHILL PARISH COUNCIL COMPLAINTS PROCEDURE

1. The following procedure will be adopted for dealing with complaints about the Council's administration or its procedures. Complaints about a policy decision made by the Council will be referred back to the Council, or relevant Committee, as appropriate, for consideration.
2. This procedure does not cover complaints about the conduct of a Member of the Parish Council.
3. If a complaint about procedures, administration or the actions of any of the Council's employees is notified orally to a Councillor, or to the Clerk to the Council, a written record of the complaint will be made, noting the name and contact details of the complainant and the nature of the complaint.
4. The complainant will be asked to put the complaint in writing (letter/e-mail/standard form) to the Clerk to the Council at 17 Hall Lane, Great Chishill, clerk@greatchishillpc.com. The complaint will be dealt with within 14 days of receipt. Refusal to put the complaint in writing does not necessarily mean that the complaint cannot be investigated, but it is easier to deal with if it is in writing.
5. If the complainant prefers not to put the complaint to the Clerk to the Council (because the matter relates to the Clerk, for example,) he or she should be advised to write to the Chair.
6. (a) On receipt of a written complaint, the Clerk to the Council (except where the complainant is about his or her own actions) or Chair of Council (if the complaint relates to the Clerk), will seek to settle the complaint directly with the complainant. This will not be done without first notifying any person complained about and giving him or her an opportunity to comment. Efforts should be made to resolve the complaint at this stage.
7. (b) Where the Clerk to the Council or a Councillor receives a written complaint about the Clerk's actions, he or she shall refer the complaint to the Chair of Council. The Clerk to the Council will be formally advised of the matter and given an opportunity to comment.
8. The Clerk to the Council (or Chair) will report any complaint disposed of by direct action with the complainant to the next meeting of the Council.
9. The Clerk to the Council (or Chair) will report any complaint that has not been resolved to the next meeting of the Council. The Clerk will notify the complainant of the date on which the complaint will be considered and the complainant will be offered an opportunity to explain the complaint to the Council orally.

10. Matters relating to Grievance or Disciplinary proceedings that are taking, or are likely to take place, should be dealt with in accordance with the Council's grievance and disciplinary procedures.
11. The Council may consider whether the circumstances of any complaint warrant the matter being discussed in the absence of the press and public, but any decision on the complaint will be announced at the Council meeting in public.
12. The Council may consider in the circumstances of any particular complaint whether to make any without liability payment or provide other reasonable benefit to any person who has suffered loss as a result of the Council's maladministration. Any payment may only be authorised by the Council after obtaining legal advice and advice from the Council's auditor on the propriety of such a payment.
13. As soon as possible after the decision has been made (and in any event not later than 10 days after the meeting) the complainant will be notified in writing of the decision and any action to be taken.
14. The Council may defer dealing with any complaint if it is of the opinion that issues arise on which further advice is necessary. The advice will be considered and the complaint dealt with at the next meeting after the advice has been received.

GREAT AND LITTLE PARISH COUNCIL CODE OF CONDUCT FOR MEMBERS

Local Government Association Model Councillor Code of Conduct 2020

Joint statement

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviors and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.

As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit-for-purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

Definitions

For the purposes of this Code of Conduct, a "councillor" means a member or co-opted member of a local authority or a directly elected mayor. A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who

1. a) is a member of any committee or sub-committee of the authority, or;

2. b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority’s requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect

As a councillor:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

2. Bullying, harassment and discrimination As a councillor:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the council As a councillor:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information As a councillor:

4.1 I do not disclose information:

a. given to me in confidence by anyone
b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless

- i. I have received the consent of a person authorised to give it;**
- ii. I am required by law to do so;**
- iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
- iv. the disclosure is:**

reasonable and in the public interest; and made in good faith and in compliance with the

reasonable requirements of the local authority; and I have consulted the Monitoring Officer prior to its release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

- 1. act in accordance with the local authority's requirements; and**
- 2. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers • transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct As a Councillor:

1. **8.1 I undertake Code of Conduct training provided by my local authority.**
2. **8.2 I cooperate with any Code of Conduct investigation and/or determination.**
3. **8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.**
4. **8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority .

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality As a councillor:

1. **10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
2. **10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
3. **10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.

A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.

Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

[Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Disclosure of Other Registerable Interests

Where a matter arises at a meeting which *directly relates* to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

Where a matter arises at a meeting which *directly relates* to your financial interest or wellbeing (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where a matter arises at a meeting which *affects* –

1. your own financial interest or well-being;
2. a financial interest or well-being of a relative or close associate; or
3. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2** you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied:

Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise, you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10.[Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best Practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best Practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best Practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best Practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best Practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best Practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best Practice 7: Local authorities should have access to at least two Independent Persons.

Best Practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best Practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best Practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best Practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best Practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best Practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best Practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best Practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

REGISTER OF PARISH MEMBERS FINANCIAL AND OTHER INTERESTS.

These were completed and signed by the current Parish Councillors and are held at South Cambridgeshire District Council.

DATA PROTECTION POLICY – See GDPR

1. This is a statement of the Data Protection Policy adopted by Great and Little Chishill Parish Council. Great and Little Chishill Parish Council needs to collect and use certain types of information about people with whom it deals in order to perform its functions. This information includes current, past and prospective employees, suppliers, clients, customers, service users and others with whom it communicates.
2. Great and Little Chishill Parish Council is required by law to collect and use certain types of information to fulfil its statutory duties and also to comply with the requirements of the Government. This personal information must be dealt with properly however it is collected, recorded and used - whether on paper, in a computer, or on other material - and there are safeguards to ensure this in the Data Protection Act 1998.
3. Great and Little Chishill Parish Council regards the lawful and correct treatment of personal information as critical to successful operations and to maintaining confidence between those with whom we deal and ourselves. It is essential that it treats personal information lawfully and correctly.
4. To this end the Council fully endorses and adheres to the Principles of data protection as enumerated in the Data Protection Act 1998.

The Data Protection Principles are as follows:

5. Personal data shall be processed fairly and lawfully and, in particular, shall not be processed unless specific conditions are met.
6. Personal data shall be obtained only for one or more specified and lawful purposes, and shall not be further processed in any manner incompatible with that purpose or those purposes.
7. Personal data shall be adequate, relevant and not excessive in relation to the purpose or purposes for which they are processed.
8. Personal data shall be accurate and, where necessary, kept up to date.
9. Personal data processed for any purpose or purposes shall not be kept for longer than is necessary for that purpose or those purposes.
10. Personal data shall be processed in accordance with the rights of data subjects under the Act.
11. Appropriate technical and organisational measures shall be taken against unauthorised or unlawful processing of personal data and against accidental loss or destruction of, or damage to, personal data.
12. Personal data shall not be transferred to a country or territory outside the European Economic Area unless that country or territory ensures an adequate level of protection for the rights and freedoms of data subjects in relation to the processing of personal data.
13. Therefore, Great and Little Chishill Parish Council will, through appropriate management, and strict application of criteria and controls:
 - Observe fully, conditions regarding the fair collection and use of information.
 - Meets its legal obligations to specify the purposes for which information is used.
 - Collect and process appropriate information only to the extent that it is needed to fulfil

- operational needs or comply with any legal requirements.
- Ensure the quality of information used.
- Apply strict checks to determine the length of time information is held.
- Ensure that the rights of people, about whom information is held, can be fully exercised under the Act. (These include: right to be informed that processing is being undertaken, the right of access to
 14. one's personal information, the right to prevent processing in certain circumstances and the right to rectify, block or erase information which is regarded as wrong information).
- Take appropriate technical and organisational security measures to safeguard personal information.
- Ensure that any third party processors contracted by the Authority adhere to appropriate controls.

In addition Great and Little Chishill Parish Council will ensure that:

- The Clerk has specific responsibility for data protection in the organisation.
15. Everyone managing and handling personal information understands that they are contractually responsible for following good data protection practice.
 16. Documents and any storage media containing input to and output from systems (paper or electronic) detailing personal information will be held, transported and disposed of with due regard to sensitivity.
 17. Confidential paper output no longer required will be shredded before it is included in the recycling process.

Responsibilities and Roles:

18. In legal terms, the overall responsibility for the notification of the Council as a data controller and for ensuring compliance rests with the Parish Clerk.
19. It is NOT the responsibility of the Parish Clerk to apply the provisions of the Act. This is the responsibility of the individual collectors, keepers and users of personal data.
20. Therefore the Clerk and Councillors are required to be aware of the provisions of the Data Protection Act 1998, such as keeping records up to date and accurate, and its impact on the work they undertake on behalf of the Council.
21. Any breach of the Data Protection Policy, whether deliberate or through negligence, may lead to disciplinary action being taken or even a criminal prosecution.

Data Security:

22. The Clerk and Councillors are responsible for ensuring that:
 - Any personal data they hold, whether in electronic or paper format, is kept securely.
 - Personal information is not disclosed deliberately or accidentally either orally or in writing to any unauthorised third party.

23. An individual is entitled, on making a written request, to be supplied with a copy of all, with limited exceptions, information which forms the personal data held about them.
24. A request for subject access must be responded to within 40 days. If it is not, the individual is entitled to complain to the Information Commissioner.

25. All data subject access requests must be referred to the Parish Clerk, who will co-ordinate the processing of the requests.

Great and Little Chishill Parish Council: What is GDPR

What has changed since the last data protection policy?

The key changes

Changes to how consent can be obtained from data subjects for the use of their data. For example, data subjects have to explicitly 'opt in' to allowing their data to be shared, and it must be made clear for what purpose their data is being used.

Data subjects have new rights, such as data portability and the right to be forgotten.

Data must only be used for the purpose it was gathered for and should be deleted when it is no longer needed for that purpose.

Sanctions over sharing data outside the European Economic Area ("EEA") will be strengthened. This requires councils to ensure appropriate privacy safeguards are in place with organisations (e.g. a business hosting and maintaining the council's server) holding data outside the EEA or that the 'importer' of data is on a list of countries which the European Union has deemed to have adequate protection for citizens regarding data protection.

All councillors, managers and other relevant staff must have suitable training and awareness as well as additional sources of guidance and support when required.

Conducting Data Protection Impact Assessments (DPIAs) in order to design data privacy into any new systems and processes will often be mandatory e.g. if new technology is deployed, where there is processing on a large scale of 'sensitive personal data', or if profiling is performed which will have an impact on individuals.

Councils and parish meetings will need to appoint a Data Protection Officer.

Data breaches must be reported (where this is required) to the ICO within 72 hours of the breach.

A new principle of accountability puts the compliance burden on councils, requiring them to produce and maintain documents that demonstrate what actions have been taken to achieve compliance.

The Underlying Principles that the Parish Council must adhere are:

The GDPR has a number of underlying principles. These include that personal data:

- b. **Must be processed lawfully, fairly and transparently.** The Parish Council has taken training on the impact of GDPR and has updated its policy (see the next few pages). Great and Little Chishill Parish Council has always taken great care to be an open, fair and transparent organisation.
- c. **Is only used for a specific processing purpose that the data subject has been made aware of and no other, without further consent.** Great and Little Chishill Parish Council has implemented a system whereby consent forms will be sent out and data will not be used without consent. As a small Parish Council, we are only responsible for a small amount of data processing, but are committed to be compliant.
- d. **Should be adequate, relevant and limited i.e. only the minimum amount of data should be kept for specific processing.** Great and Little Chishill Parish Council has reviewed its retention policy and has an audit for the files it stores.

- e. **Must be accurate and where necessary kept up to date.** Great and Little Chishill Parish Council has reviewed its retention policy and has an audit for the files it stores.
- f. **Should not be stored for longer than is necessary, and that storage is safe and secure.** Great and Little Chishill Parish Council has reviewed its retention policy and has an audit for the files it stores. We have introduced new email addresses for the Clerk and Chair and have requested that Parish Councillors personal email addresses are removed from sites such as the Parish Council Website and SCDC. All our electronic files are stored in a secure cloud based environment which is linked to the Parish Council email addresses. The website is secure.
- g. **Should be processed in a manner that ensures appropriate security and protection** By undertaking an audit at the beginning of the GDPR implementation process, Great and Chishill Parish Council has made some changes (see above) it is also taking out Cyber Insurance as well as Trustee Insurance. We continue to subscribe to ICO. CAPALC will (as of April 2020 be out DPO).

Individuals' Rights

GDPR gives individuals rights with some enhancements to those rights already in place:

the right to be informed the right of access
the right to rectification the right to erasure

the right to restrict processing
right to data portability
the right to object
the right not to be subject to automated decision-making including profiling.

The two enhancements of GDPR are that individuals now have a right to have their personal data erased (sometime known as the 'right to be forgotten') where their personal data is no longer necessary in relation to the purpose for which it was originally collected and data portability must be done free of charge. Data portability refers to the ability to move, copy or transfer data easily between different computers.

If a request is received to delete information, then the DPO must respond to this request within a month. The DPO has the delegated authority from the Council to delete information.

If a request is considered to be manifestly unfounded then the request could be refused or a charge may apply. The charge will be as detailed in the council's Freedom of Information Publication Scheme. The council will be informed of such requests.

Children

There is special protection for the personal data of a child. The age when a child can give their own consent is 13. If the council requires consent from young people under 13, the council must obtain a parent or guardian's consent in order to process the personal data lawfully. Consent forms for children age 13 plus, must be written in language that they will understand.

Summary

The main actions arising from this policy are:

The Council must be registered with the ICO.

The policy will be considered as a core policy for the Council.

The Clerk's Contract and Job Description (if appointed as DPO) will be amended to include additional responsibilities relating to data protection.

An information audit will be conducted and reviewed at least annually or when projects and services change.

Privacy notices must be issued.

This policy document is written with current information and advice. It will be reviewed at least annually or when further advice is issued by the ICO.

All employees, volunteers and councillors are expected to comply with this policy at all times to protect privacy, confidentiality and the interests of the Council.

Great and Little Chishill Parish Council GENERAL PRIVACY NOTICE

Your personal data – what is it?

“Personal data” is any information about a living individual which allows them to be identified from that data (for example a name, photographs, videos, email address, or address). Identification can be directly using the data itself or by combining it with other information which helps to identify a living individual (e.g. a list of staff may contain personnel ID numbers rather than names but if you use a separate list of the ID numbers which give the corresponding names to identify the staff in the first list then the first list will also be treated as personal data). The processing of personal data is governed by legislation relating to personal data which applies in the United Kingdom including the General Data Protection Regulation (the “GDPR”) and other legislation relating to personal data and rights such as the Human Rights Act.

Where each of the parties listed above are processing your data for their own independent purposes then each of us will be independently responsible to you and if you have any questions, wish to exercise any of your rights (see below) or wish to raise a complaint, you should do so directly to the relevant data controller.

Our processing may also include the use of CCTV systems for the prevention and prosecution of crime.

What is the legal basis for processing your personal data?

The council is a public authority and has certain powers and obligations. Most of your personal data is processed for compliance with a legal obligation which includes the discharge of the council's statutory functions and powers. Sometimes when exercising these powers or duties it is necessary to process personal data of residents or people using the council's services. We will always take into account your interests and rights. This Privacy Notice sets out your rights and the council's obligations to you.

We may process personal data if it is necessary for the performance of a contract with you, or to take steps to enter into a contract. An example of this would be processing your data in connection with the use of sports facilities, or the acceptance of an allotment garden tenancy

Sometimes the use of your personal data requires your consent. We will first obtain your consent to that use.

Sharing your personal data

This section provides information about the third parties with whom the council may share your personal data. These third parties have an obligation to put in place appropriate security measures and will be responsible to you directly for the manner in which they process and protect your personal data. It is likely that we will need to share your data with some or all of the following (but only where necessary):

- The data controllers listed above under the heading "Other data controllers the council works with";

- Our agents, suppliers and contractors. For example, we may ask a commercial provider to publish or distribute newsletters on our behalf, or to maintain our database software;
- On occasion, other local authorities or not for profit bodies with which we are carrying out joint ventures e.g. in relation to facilities or events for the community.

How long do we keep your personal data?

We will keep some records permanently if we are legally required to do so. We may keep some other records for an extended period of time. For example, it is currently best practice to keep financial records for a minimum period of 8 years to support HMRC audits or provide tax information. We may have legal obligations to retain some data in connection with our statutory obligations as a public authority. The council is permitted to retain data in order to defend or pursue claims. In some cases the law imposes a time limit for such claims (for example 3 years for personal injury claims or 6 years for contract claims). We will retain some personal data for this purpose as long as we believe it is necessary to be able to defend or pursue a claim. In general, we will endeavour to keep data only for as long as we need it. This means that we will delete it when it is no longer needed.

Virtual Meetings – March 2020

March 2020 saw the COVID 19 crisis worldwide. During this time, the UK went into lockdown and gatherings of people were prohibited. The Government passed legislation to allow Parish Council meetings to be conducted online using Zoom, Googlemeets, MS Teams and the such like for a year. The Council adopted these measures and is conducting its business using Googlemeets.

Great and Little Chishill Parish Council Email Policy January 2023

Councillors have been provided with an email account 'yourname@greatchishillpc.com' specifically for their work as Parish Councillors. The Council believes this is the most efficient and effective way of working together and keeping in touch with the community but before Councillors can make use of this facility, they need to have the following information:

1. First, and most important: this email account must not be used to make decisions or influence decisions that should be made at a meeting of the Council. Standing Orders and the Code of Conduct are clear on the rules of debate and Councillors should check them if they are in any doubt.
2. The law does not allow Councillors to act independently and every Councillor should make sure that they do not imply that the content of their emails represents the opinion or policy of the Council as a whole. As an individual, a Councillor can think, say and write what he/she likes, but as a Councillor only the view of the whole Council can be given, whether the Councillor agrees with the decision or not.
3. When a Councillor uses the Parish Council account to send an email, the recipient can be excused for thinking it is an 'official' communication sent on behalf of the Council. All Councillors should be particularly careful if they are agreeing to do something that may be seen as a commitment by the Parish Council, so Councillors must put the Disclaimer at the bottom of every Parish Council email.
4. Neither private nor Parish Council emails are confidential; every email is stored in the archive and is available to the public through a Freedom of Information request. Although the emails will be cleared of any personal data before they are released, it is better to avoid disclosing anything personal or confidential in the first place; email is not a secure medium.
5. No disclaimer will help if a Councillor sends an email that contains illegal, offensive, obscene, racist, abusive material or libellous, defamatory or discriminative material which may bring the Council into disrepute.
6. The only person who can send an official email is the Clerk who writes on behalf of the Councillors to give the Council's views. The Clerk prepares a communication report which shows all received emails and this is regularly circulated with the Parish Council. Any items generated by email correspondence which need to be discussed by the Parish Council are added to the agenda for the next meeting. The Chair is copied into other important emails as required (eg. to Highways / District / County Councillor).
7. If important issues are raised by parishioners or other bodies, after discussion with the Chair, the Clerk will forward the email to all Councillors for information but not discussion, as this could be considered pre-determination and add it to the next agenda. The Clerk will however, before doing this, check with the Parishioner / sender if they agree to their email being forwarded (GDPR).
8. At the request of the Clerk and with the agreement of the Parish Council, in exceptional situations it may be appropriate for a Parish Councillor to issue correspondence in his/her own name. Such correspondence must make it clear that it has been written in an official capacity and has been authorised.

The terms and conditions for the greatchishillpc.com domain usage are given below. By using the Parish Council's email address for Parish Council business, a Councillor is agreeing he/she understands them and agrees to abide by them. All Parish Council email addresses (and subsequent correspondence sent and received on the said address) remain the property of Great and Little Chishill Parish Council. If the Councillor leaves then the email address will be closed and a new address allocated to any new Councillor.

The Disclaimer wording and a list of Good Practices for the use of email are also given. These are designed to help keep the email system healthy and avoid potential misunderstandings.

Terms and conditions of use

- Whereas Great and Little Chishill Parish Council (the Council) is the licensee of the domain *greatchishillpc.com* (the Domain) it authorises its Councillors and Officers to hold and use email accounts within the Domain. - The Council shall be held harmless from any claims made or views expressed or any other content within an email distributed from the domain by its Councillors through the inclusion of a footnote Disclaimer, the wording of which has been determined by the Clerk and included here. The Disclaimer should be appended to all outgoing emails, whether from a Parish Council account.
- A Councillor should not include the words "Great and Little Chishill Parish Council" in their signature without their Parish Councillor title, as this may imply to the reader that the email has been authored by the Council itself.
- A Councillor may not use the words "on behalf of" or "for" in front of the words "Great and Little Chishill Parish Council" or otherwise give any impression that they are representing the Council as part of their email signature without the express permission of the Clerk.

Good practices

- Before sending an email message, consider if it may be more effective to communicate face to face or by telephone. It is easy to misconstrue the contents of an email which can lead to confusion and poor communication, whilst a quick telephone conversation can prevent extensive email "ping-pong" conversations clarifying an email's meaning.

- Users should not send or forward any chain emails (e.g. jokes and virus warnings) from their Council email account as both of these can contain malware. In addition, almost all virus warnings and police warnings circulating via email are actually hoaxes designed to clog up email systems by scaring people into forwarding them across the internet.
- Remember that the authenticity of any email received cannot be guaranteed, especially with the prevalence of email "spoofing" (emails pretending to come from a source gathered through dubious means). In particular, users should always avoid opening any attachments to emails that are unexpected.
- When sending an email, users should only "cc" and "bcc" people who really need to be informed. Users should take care when using the "Reply to All" function as this may be inappropriate, especially when the user has been the blind recipient.
- Email etiquette construes capitalisation as SHOUTING, so it's best to avoid inappropriate use of upper case in messages.

1. Introduction

Under the Natural Environment and Rural Communities Act 2006 there is a duty on public authorities in England, including Parish Councils to have regard to conserving biodiversity as part of their policy or decision making.

This was further strengthened by the Environment Act 2021 so public authorities must now consider what they can do to conserve and enhance biodiversity in England. This means a public authority must:

- Consider what they can do to conserve and enhance biodiversity.
- Agree policies and specific objectives based on their consideration.
- Act to deliver policies and achieve objectives.

Town and parish councils, unlike other authorities, are not obliged to publish a report on their actions, but the Government guidance requires all public authorities to complete their first consideration of what action to take for biodiversity by 1 January 2024.

They must agree their policies and objectives as soon as possible after this and must reconsider the selected actions within five years of completing their previous consideration, or more frequently if they choose.

2. Definition

According to Defra (Biodiversity 2020), biodiversity is the variety of all life on Earth. It includes all species of animals and plants – everything that is alive on our planet.

Biodiversity is everywhere, in gardens, fields, hedgerows, mountains rivers and the sea. Biodiversity is important for its own sake and has its own intrinsic value.

A number of studies have shown this value also goes further. Biodiversity is the building block of our 'ecosystems' that in turn provide us with a wide range of goods and services that support our economic and social wellbeing. These include essentials such as food, fresh water and clean air, but also less obvious services such as protection from natural disasters, regulation of our climate, and purification of our water or pollination of our crops. Biodiversity also provides important cultural services, enriching our lives.

3. The Local Area

Great and Little Chishill are rural villages, with a number of natural areas, including hedges, ditches, farmland, open spaces in its boundary.

4. Parish Council responsibilities

The Parish Council owns two pieces of land - the Plaistow and the Playing Fields.

In addition, it is the manages the verge cutting within the villages boundaries.

5. Aims and Objectives.

The object of this policy is to work towards conserving and enhancing the biodiversity of the Council's area. The Parish Council will consider sustainability, environmental impact and biodiversity when making decisions and will develop and implement policies and strategies as required.

6. Actions

The Parish Council will aim to improve the biodiversity of the area in the following ways:

- Consider the impact on biodiversity in the decisions made through the Parish Council, especially when commenting on planning applications. Support site and building design that benefits biodiversity through the conservation and integration of existing habitats or provision of new habitats. Support protection of sensitive habitats from development and will consider whether the development would mean the loss of important habitats for wildlife in respect of all applications. They will consider what each proposed development might make in terms of biodiversity net gain.
- Manage its land and property using environmentally friendly practices that will promote biodiversity This will include adopting beneficial practices with regarding to cutting and removal of vegetation, application of chemicals and timing of maintenance work, paying attention to the Government's regulations for plant protection products.
- Take care in the specification of grounds maintenance contracts to ensure that the work, whilst reaching acceptable standards, does not harm the natural environment
- It will review how it manages the land at the playing fields
 - Leaving standing and fallen dead wood as a habitat for invertebrates
 - Leaving leaf litter and dead vegetation wherever possible as a habitat for invertebrates
 - Removing invasive and non-invasive species that are detrimental to native flora or fauna as required.
 - Allow fallen tree branches to remain, if safe to allow invertebrates to habitat
 - Planting of trees in the playing fields and the Plaistow

7. Monitoring and Review

In September 2024 the minutes made reference to Biodesity and any actions will be monitored with the Play Fields Association and contractors.
