Great Chishill Parrish Council

Dear Council Members,

Proposed Caravan Site at Lynchetts Farm, Great Chishill

We are given to understand that the Parrish Council has decided not to raise an objection to the proposed caravan site at Lynchetts Farm.

The tenant at the farm only has 4 1/2 years to run on his tenancy and we feel the Parrish Council needs to give further thought to the establishment of a caravan park on this site.

You will be aware that Councils are under pressure to find such sites for "Travellers". Once this site has established use, the village will have no defense to object to its use for the traveling community.

We would therefore urge you to reconsider your position with regard to the current proposal.

Yours faithfully,

B.P. & S.A. Homent
