Dear Mr and Mrs Homent

Proposed Caravan Park – New Road

Thank you for your recent letter regarding a proposed Caravan Site at Lynchetts Farm.

Two members of the Parish Council have been and spoken to the new tenant of the farm about this matter. The site itself (if granted) will be licensed and approved by the Caravan Club on a year on year basis. Only five caravans at any given time will be permitted to use the site and hedging / screening is being planted so in time it will not be visible from the road. No electricity or toilet facilities will be installed. The tenant is very amenable and has consulted his neighbours, who raised no objections. Following the visits by the Parish Council it was felt that we had no objections provided the screening was put in place and have written to the Caravan Club expressing this opinion.

The application itself does not have to be approved by any council. If you are unhappy you may write to the caravan club with your comments.

Yours sincerely

Sarah Scott
